Executive Director Update

As we approach the end of the year and the beginning of the holiday season, we are reminded of the many reasons to be thankful. Here at the Michigan Youth Education Fund, we are thankful for our amazing volunteers, generous donors, and all of the hard-working teachers across the state. Without you, we would not be able to impact hundreds of students in Michigan. On behalf of the Board of Directors, Thank You!

In this season of giving, **your donation will go twice as far!** Every donation made between now and the end of the year will be matched. A \$10 donation becomes \$20 and a \$25 donation becomes \$50. We appreciate whatever you feel comfortable giving. [Donate here!](#) Beside donating, there are so many more ways to help out! You can host a fundraiser, share MiYEF posts on your social media, volunteer, and more! Any way you are able to help, allows us to serve more Michigan students.

From everyone here at the Michigan Youth Education Fund, happy holidays!

Yours in learning,
Eric Siegrist
